MOVING KNOWLEDGE, NOT PATIENTS

RI HEPATITIS C ECHO

Through tele-mentoring, ECHO creates access to high-quality specialty care in local communities

How it works

Hub and spoke knowledge-sharing create a learning loop:

- Community clinicians learn from specialists
- Community clinicians learn from each other
- Specialists learn from community clinicians as best practices emerge

Join Us!

Want to learn more about the screening and management of Hepatitis C for your patients?

Join us for this 6-session virtual course about Hepatitis C. All sessions are one hour long and include short didactic sessions led by specialists as well as interactive case discussions.
